// <p>It isn't often that we get to work with models from Connecticut... ShockerRacing seems to attract a lot of models in Florida, Texas, and the Carolinas.◆ It's always refreshing bringing in new models from various states throughout the U.S. and our latest ShockerRacing Girl, Jamie, was born and raised in CT.◆ The five foot one inch tall, 23 year old has been modeling independently for about a year now.◆ The majority of her photoshoots have been lingerie and swimwear with this being her first official automotive feature.</p> <p>◆</p> // <p>◆</p> <p style="text-align: center;"></p> <p>Jamie and her photographer found an abandoned building in Newark, NJ to use as a backdrop for her first ShockerRacing Girls feature.◆ "We had to drive on a back road that was right along a river to get to the location," Jamie explained.◆ Her photographer, Juan Barrera, also provided the 2017 Camaro RS for the shoot.◆ His white Camaro features some nice red accents, an EZ Splitter, and a complete sound system with Kicker Amps.◆ For additional performance, he added a full exhaust system and a K&N Cold Air Intake.</p> <p style="text-align: center;"> // </p> <p style="text-align: center;"></p> <p>She first got involved with the car scene when her current car got totaled and her friend, Dave, helped fit it back up.◆ She started going to car events with Dave, and she has loved them ever since. Jamie currently drives a five-speed 2007 Suzuki Forenza, but her first car was a 2003 Mitsubishi Lancer. She exclaimed, "I do have an obsession with Mitsubishi's since my first car was one. My dream car is a Mitsubishi Evo X."</p> <p style="text-align: center;"> // </p> <p style="text-align: center;"></p> <p>Read on for the rest of our interview with Jamie:</p> <p>SR: So what got you interested in ShockerRacing?
